FUNDING WINDOW III
CALL FOR PROPOSALS
IS NOW **OPEN**

START DATE:
15 DECEMBER 2022
END DATE:
6 FEBRUARY 2023

THEMES:

1. Digital Tools and Skills
2. Female Entrepreneurship and Employability
3. Innovation in Informal Sectors

Is your company, training institution, civil society organisation, NGO, incubator, accelerator, or academic institution championing the continuous enhancement of employability and enterprise creation for youth and vulnerable groups in TVET? And do you have a proof-of-concept showing how your project creates jobs, promotes job creation, and contributes to job retention? Then you could receive grant funding from **150,000 to 400,000 euros** for your innovative skills development project.

→ Visit **www.skillsafrica.org** to learn more about **Funding Window III** and how to apply for grant funding.
